A MESSAGE FROM THE PRESIDENT

Dear Community Partner,

Since 1963, the Holy Spirit High School Fathers Club has stood alongside students, families, and the mission of Holy Spirit High School — built on faith, fellowship, service, and community.

Today, one of our most important priorities is ensuring that every deserving student can access a Catholic education — regardless of financial circumstance. Through tuition assistance and scholarships, we help families who need it most keep their children in the school they love.

Last year alone, we supported **117 students** with **\$73,250 in tuition assistance**, drawing students from **14 different schools and parishes** across South Jersey. None of that is possible without the generosity of community partners like you.

Your sponsorship joins a network of local organizations investing in the next generation of leaders — young men and women who will give back to this community for decades to come. We invite you to partner with us and make a lasting impact.

Sincerely,

Michael Finnerty

President, Holy Spirit High School Fathers Club
